

FOR IMMEDIATE RELEASE

Ft. Mitchell Garage Collision Center Certified and Recognized by Top Auto Manufacturers

PARK HILLS, KY - December 5, 2014 - Ft. Mitchell Garage Collision Center has been Certified by Assured Performance, a non-profit consumer advocacy organization, and officially recognized by Ford, Chrysler, GM, and Enterprise. The Certification signifies that Ft. Mitchell Garage Collision Center has the right tools, equipment, training, and facility necessary to repair the participating manufacturers' vehicles to the manufacturer specifications. This is essential to help ensure the fit, finish, durability, value, and safety of vehicles.

Ft. Mitchell Garage Collision Center is now part of an exclusive group of best-in-class collision repair businesses located across the United States. These Certified Collision Care Providers have passed a rigorous Certification process that inspect and audits the business to ensure they have the required tools, equipment, technical training, facilities, and customer satisfaction services.

According to Ft. Mitchell Garage Collision Center owner, Ron Stamm, "We are thrilled to have achieved the Certification and automaker recognitions. This certification helps to let our customers know they are dealing with highly trained professionals that care about them and will assure that their vehicle is repaired right to ensure its safety and performance."

Manufacturers are driving the initiative to ensure that consumers have a choice of certified collision repair providers across the nation when ever and where ever they might need it. Based upon the new technology and advanced materials with which today's vehicles are now being manufactured, now more than ever, a proper repair is critically important to the value and safety of the vehicle. As a consumer advocate, Assured Performance provides the critical third-party independent Certification services for several leading auto manufacturers, identifying and promoting only a few thousand best-in-class body shops nationally that can meet the standards.

"Consumers need the confidence and peace of mind to know their vehicle is repaired by a shop that has what it takes to ensure the vehicle safety. Ft. Mitchell Garage Collision Center is a collision care provider that has made the investment to meet strict Auto Manufacturer requirements to become Certified," said Scott Biggs, founder and CEO of Assured Performance. "They represent the standard by which all others are measured."
